

Use our packing list to help you save time. If there's anything extra you want to take, we've left a useful bit of space for you to add it on! We usually advise buying most of your toiletries once there as it saves on weight and they are generally good value.

Absolutely vital!!!

| | | | | | | | |
|----------------------|--|-------------------|--|--|--|--|--|
| passports | | insurance details | | | | | |
| tickets or print out | | car hire details | | | | | |
| money/purse/wallet | | | | | | | |
| destination address | | | | | | | |
| keys | | | | | | | |
| phone (for most!) | | | | | | | |

Clothes / accessories

| | | | | | | | |
|------------|--|--------------------|--|------------------|--|--|--|
